

Are you Safeguarding Compliant? - We can help!

Below is a basic outline of the services SAFEcic provide that can help Faith Groups in England and Wales stay safeguarding compliant. This Flowchart is designed as a brief overview only and should not be taken as legal advice.

Your faith group needs both child and adult safeguarding and related policies in place, including a “Whistleblowing” statement. eSafety Training is also Recommended.

SAFEcic offers a wide range of safeguarding and other related training relevant to faith groups. We can also help you to meet the further requirements if you are a registered charity (see our ‘Charities’ page). To book your online or face-to-face training, go to our website or give us a call today.
